Antitrust Policy & Member Participation

› Attendees are reminded to adhere to the meeting agenda and not participate in activities prohibited under antitrust and competition laws.*

› Only members of Trust over IP who have signed the necessary agreements and charters are permitted to participate in this activity beyond an observer role.

* Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at http://www.linuxfoundation.org/antitrust-policy.

THE LINUX FOUNDATION

Trademark Registration

Update from Scott Perry or David Lucatch

Gov Ontario Presentation BLOG Post and Discussion Paper

Update from Alex Metcalf

Opportunity to
Co-Brand/Co-Market upcoming Indy/Aries Workshops

➢ Hyperledger Indy/Aries in conjunction with Inidico are creating Indy/Aries Workshops

➢ We have an opportunity to Co-Brand/Co-Market them

➢ Email judith@trustoverip.org to get DRAFT course outline slides

➢ David Boswell and Indicio said that adding some details about ToIP's mission and how it fits with the other pieces being discussed makes sense and would fit into both outlines.

Draft outline for four-hour, hands-on course

› 'Must have' prerequisites

  › Install docker

  › Install Indy-CLI

  › Download repos

  › Restrict to one platform (Linux)
