

Interim public review - vLEI Ecosystem Governance Framework

- Based on comments and feedback received from organizations going through the vLEI Issuer Qualification Program, as well as from pilots and POCs, substantial updates have been made to some Identifier and Credential Frameworks.
- 5 EGF documents for this review
 - QVI Identifier and vLEI Credential Framework
 - Legal Entity vLEI Credential Framework
 - QVI Authorization vLEI Credential Framework
 - Official Organizational Role vLEI Credential Framework
 - Engagement Context Role vLEI Credential Framework
- Review will run for 15 days as required by EGF
- Comments and suggested edits will be reviewed and considered for inclusion in the required annual review of the vLEI EGF that will occur in 4th quarter of this year
