This wiki is one of our primary collaboration tools. Use it to learn more about the project; explore, manage, or contribute to Working Groups or Task Forces; and share helpful links or other content.

All Members
A number of resources are available for all members of the ToIP Foundation from this page. These include

- All-Members Meeting Page
- How to Propose a New Working Group or Task Force

Current Working Groups
To join any Working Group (WG), go to https://lists.trustoverip.org/, log in with the email address of your ToIP Foundation membership, then subscribe to the mailing list for each WG you wish to join. You will automatically be mailed a calendar invite for the WG meetings. If you did not receive the calendar invite, please reach out to operations at trustoverip dot org.

- Technical Stack Working Group
- Utility Foundry Working Group
- Ecosystem Foundry Working Group
- Decentralized Semantics Working Group
- Concepts and Terminology Working Group

Current Task Forces
A Task Force (TF) is a group that organizes under the umbrella of a Working Group (or, for a Foundation-wide activity, under the Steering Committee) to accomplish a specific task or set of tasks. Each TF has its own home page on this wiki—many of them also have their own mailing lists and Slack channels (see each TF home page for details).
