

Calendar of ToIP Meetings

This is the shared Trust over IP shared calendar. It displays the recurring series of All Member, Steering Committee, Communications Committee, Working Group and Task Force meetings that are open to all members.

The calendar is presented in Eastern Standard Time. We are working on a way for change the time zone displayed. **Remember to scroll to see the complete 24 hours** to view meetings intended for other time zones. ****it seems that the calendar is presenting in local time for some - please check****
