10 min	Review of Part I	Drummond Reed	
35 mins	Review of Part II	Leads	
5 min	- Writing assignments - Review decisions/action items - Planning for next meeting	Leads	

Notes

- Feedback from TS WG meeting regarding the first part of the Design Principles document
- Make sure that we mention that examples does not imply that a technology stack decision has been made
- Victor Golubkov and Wenjing Chu commented that it will be beneficial to keep DP document without too many details to avoid overgrowing its' size
- Judith Fleenor commented on the position of the diagram from the KERI paper in relations to Wenjing Chu diagrams
- Jo Spencer Darrell O'Donnell commented on Principle #4 and how much decentralization needs to happen and is it the final goal
- Discussed the Principle #12 writeup by Scott Perry . Highlighting on trigger points for limits of trust
- Wenjing Chu and Vikas Malhotra proposed to add references on papers around AI and it's management

Decisions

- Add Daniel Hardman comments regarding Principle #1
- Add diagram in the Transitive Trust Principle
- Move Data Principles into the "Additional Principles" section of the document.
- Drummond Reed will look at where to fit 'trustworthiness' paragraphs.

Action Items
