5 min	Review of previous action items	Chairs	<input type="checkbox"/> ACTION: Drummond Reed to prepare a starting storyline deck and share via Slack before next week's meeting. <input checked="" type="checkbox"/> ACTION: Drummond Reed to interview Sam to start to document Sam's approach to "filling in the details" of the four layers.
20 mins	Stack structure proposal	Drummond Reed	Drummond shared a new diagram of the ToIP stack based on what he learned from a lengthy interview with Samuel Smith last week. See the three slides that begin here (in Google Slides). The third slide is also shown in diagram #1 below. ACTION: Drummond Reed to work with Samuel Smith to describe a "thinner layer" approach than what is expressed in diagram #1 below.
25 mins	Exploration of CESR	Drummond Reed Samuel Smith	Composable Event Streaming Representation (CESR) is an integral part of the design on KERI. In the NA/EU session Drummond will do his best to explain the rationale for CESR; in the APAC session we should be able to go even deeper into the topic with Sam Smith. Please see this Zoom recording of the APAC meeting for an in-depth overview of CESR .
