☐ Deliverable 1: Review Discussion - ToIP Layer 1 - Utility Foundry - Google Docs			2022-06-7 Meeting Page
☐ Cardea and Linux Foundation Public Health are pleased to invite you to our Interop-a-thon that will take place on June 16, 2022, 8:00am-12:00pm MST . Please read this blog with further details about the event here . This interactive event will comprise teams across the verifiable credentials community testing products and solutions both in the market and in development for interoperability. The goal is to discover what needs to be done to ensure that all are fully interoperable with Cardea and with one another. Participants will come away with an understanding of where the gaps are in interoperability and how they can be fixed. Observers are also welcome to attend!! have added this here because those who would like to bring their own network to this event are also welcome to participate!			2022-06-7 Meeting Page
