## Attendees

## Main Goal of this Meeting

This is the AIM TF's #29 meeting.

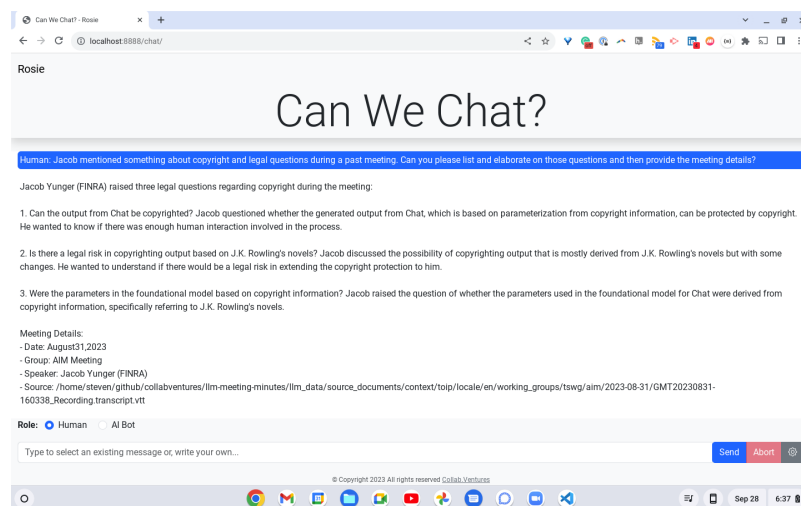

One of our main goals is to have individual member presentations on what problems/challenges they see in AI & Metaverse related to trust.

Starting in the new year (2023), we plan to start drafting white papers or other types of deliverables of the task force.

However, we may turn this submission into a BLOG and have it reviewed for publication as a BLOG.</li> </ul> <p><b>In the previous Meeting:</b> There was minimal discussion on extending existing comments in the response draft, and no one offered additional written contributions beyond the comments in the draft. General consensus is that there was insufficient understanding of the issues and insufficient time (lots of conferences and other commitments) to produce a comprehensive set of comments by the Oct 18 deadline.</p> <p>However, there was agreement that these are important issues to understand, most of which are beyond just the copyright aspects of AI.</p> <p>It is suggested that:</p> <ol style="list-style-type: none"> <li>Package comments to date and submit for the Oct 18 deadline. &lt;---- Today's narrow goal</li> <li>Put issues raised in the document (and expand on it) for future discussions on copyright and other AI topics and potentially write a separate paper (or equivalent) as input to the US Copyright Office at some later date.</li> </ol>
