

EasyCLA onboarding

When you joined the Trust over IP regardless of membership level you signed a contributor license agreement.

EasyCLA is managed by the Linux Foundation and uses the same contributor license agreement you signed when joining ToIP.

Steps to test you are set up correctly, or a short [video](#):

- Fork <https://github.com/trustoverip/EasyCLA>
- Commit a small change on your fork
- Create a pull request from your fork to trustoverip/easycla main branch
- Verify things are green!
