3 min	Wrap up	Chair

## Presentations

## Recording

## Notes

1. Welcome
2. Call for Consensus on Good Health Pass Interoperability Blueprint v1.0.0
3. Q&A and Discussion on Next Steps
4. Wrap up

## Decisions

- Working Group participants approved by consensus the GHP Interoperability Blueprint v1.0.0 as an official deliverable of the Good Health Pass Interoperability Working Group
  - Graphics are still being updated by the designer (no substantive edits)
  - Acknowledgments will be completed before ToIP SteerCo approval
- Next Steps
  - The Offline Paper Credentials group will work on specs for QR Code Specification and GHP Compliant Paper Credentials
  - Health Pass Presentation Definition Profile will be developed by a new subgroup
  - Digital Wallet Requirements will be developed by a new subgroup
  - Universal Verifier Specification might be developed by a new subgroup

#### **Action Items**

- GHP Interoperability Blueprint v1.0.0 to be shared with the ToIP SteerCo for approval
